Re: Overdue Response to Information Request-

Lower Darby Creek Area Site - Clearview Landfill, Folcroft Landfill, and Folcroft

Landfill Annex

Dear Mr. Eisler:

On July 19, 2002, the U.S. Environmental Protection Agency ("EPA") issued a letter (copy of which is enclosed) to you requiring the provision of information and/or documents relating to the above-referenced Site, pursuant to Section 104(e)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, ("CERCLA"), 42 U.S.C. § 9604(e)(2) ("Information Request"). Your response was due within fifteen (15) calendar days of your receipt of the Information Request. The enclosed copy of the federal express delivery confirmation indicates that you received the Information Request on July 22, 2002. Accordingly, your response and all supporting information was due on or before August 6, 2002.

You must provide all requested documents as well as a separate and complete narrative response to each and every question contained in EPA's July 19, 2002, Information Request within seven (7) calendar days of your receipt of this letter. This seven day period, however, is not to be construed as an extension of the original deadline and does not excuse any violation for failure to respond to the initial Information Request.

NOTICE OF POTENTIAL ENFORCEMENT ACTION

EPA hereby advises you that your failure to respond fully and truthfully to each question, or to justify adequately your failure to respond, may subject you to an enforcement action by EPA, pursuant to Section 104(e)(5) of CERCLA, 42 U.S.C. § 9604(e)(5). This section authorizes EPA to issue an order directing compliance with an information request made under

the statute "after such notice and opportunity for consultation as is reasonably appropriate under the circumstances." This letter constitutes such notice.

In addition, Section 104(e)(5)(B) of CERCLA, 42 U.S.C. § 9604(e)(5)(B), allows EPA to seek judicial enforcement of an information request and authorizes the federal district courts to assess a civil penalty not to exceed \$27,500 for each day of non-compliance. In recent decisions, courts have assessed significant penalties against parties which had not complied with EPA information requests.

All documents and information should be submitted to:

Ms. Carlyn Winter Prisk (3H\$11) U.S. Environmental Protection Agency 1650 Arch Street Philadelphia, PA 19103

Be advised that the provision of false, fictitious or fraudulent statements or representations may subject you to criminal sanctions under 18 U.S.C. § 1001.

If you have any questions concerning this matter, please contact Ms. Prisk at (215) 814-2625. Questions of a legal nature may be addressed to Brian Nishitani, Senior Assistant Regional Counsel, at (215) 814-2675.

Joan Armstrong, Chief PRP Investigation and

Required Submission of Information

Lower Darby Creek Area Superfund Site - Clearview Landfill, Folcroft Landfill,

and Folcroft Landfill Annex

Dear Mr. Eisler:

The U.S. Environmental Protection Agency ("EPA") is seeking information concerning the release, or threat of release, of hazardous substances, pollutants or contaminants into the environment at the Clearview Landfill ("Clearview"), Folcroft Landfill, and Folcroft Landfill Annex portions of the Lower Darby Creek Area Superfund site, located in Delaware and Philadelphia Counties, Pennsylvania (hereinafter the "Site") (see Enclosure F for a list of Questions).

The Site is located in an industrialized portion of southeastern Delaware County and southwestern Philadelphia County, Pennsylvania, along an approximately two-mile stretch of Darby Creek, between Cobbs Creek to the north and the tidal marsh of John Heinz National Wildlife Refuge at Tinicum to the south (see Enclosure A). The Site also includes contaminated portions of areas along Darby Creek downstream as well as a portion of a 3500-acre tidal marsh.

As the attorney for the estate of Edward I. Heller, a former operator of the Clearview Landfill, EPA believes that you might possess information which may assist the Agency in its investigation of the Site.

EPA requires that you respond in writing fully and completely to the following items within fifteen (15) calendar days of your receipt of this letter.

If, for any reason, you do not provide all information responsive to this letter, then in your answer to EPA you must: (1) describe specifically what was not provided, and (2) provide to EPA an appropriate reason why the information was not provided.

All documents and information should be sent to:

Ms. Carlyn Winter Prisk (3HS11)
U.S. Environmental Protection Agency, Region III
1650 Arch Street
Philadelphia, PA 19103-2029

This required submission of information is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. Section 3501 et seq.

If you have any questions concerning this matter, please contact Civil Investigator Carlyn Winter Prisk at (215) 814-2625, or have your attorney contact Gwen Pospisil of EPA's Office of Regional Counsel at (215) 814-2678. To discuss the Site in general or the nature of the cleanup, contact Kristine Matzko, the Remedial Project Manager, at (215) 814-5719.
